- Represent ARIN at 1-2 other Regional Internet Registry meetings (optional)
- Attend 1-2 ARIN on the Road (AOTR) meetings (optional)
- Attend governance meetings such as those held by the Internet Governance Forum (IGF) (optional/where needed)
- Attend Caribbean meetings such as those held by the Caribbean Association of National Telecommunication Organizations (CANTO) and the Caribbean Telecommunications Union (CTU) (optional)

Trustees are not remunerated for their time but are reimbursed for their travel and related expenses. For further details, please review the Board Travel Policy (https://www.arin.net/about_us/bot_travel.html).

Conflict of Interest and Eligibility

Trustees have a fiduciary obligation to ARIN and thus should consider, prior to applying, any relationships (business or personal) that may give rise to significant conflicts of interest (such that the Trustee would not be able to regularly execute their duties).

The ARIN Board has adopted a formal Nomination and Appointment Conflict of Interest List (<https://www.arin.net/participate/elections/conflicts.html>) that precludes serving as a Trustee while serving in certain capacities at other Internet-related organizations.

ARIN Trustees are expected to be able to travel to ARIN Public Policy and Members Meetings and ARIN Board Meetings which are held throughout the ARIN Service Region. The timing of and location of these meetings is generally published well in advance. ARIN Trustees may also be invited to travel to meetings that are held internationally.

ARIN Trustees are not required to be members of ARIN.

ARIN is incorporated in the Commonwealth of Virginia. Trustees must be eligible to serve under state and federal laws.
